### **The benefits of using the local scout shop are:**

- Try on and swap ordered size if needed.
- Save money as no postage on purchase or returns bought from us.
- Uniform is the official uniform of the Scout Association so quality is known.
- Purchases support **your Group** and **your District**. Profits help keep subscriptions low and enable us to fund extra activities.

The website lists **all uniform – most sizes will be held in stock**, plus we can order many of the items that can be found on the national Scout Store website. [shop.scouts.org.uk](http://shop.scouts.org.uk)

Contact us for special order requests – we will then confirm if item is available and add the item you require to our site, ready for your order.

Please be aware of the “Last Order Dates” shown on the website.
